RIGHT-OF-ENTRY FOR TEMPORARY ROOFING/REPAIRS

Incident or Disaster _____

The undersigned, hereinafter called the Owner, hereby grants the UNITED STATES OF AMERICA (the "Government"), and its independent contractors, a **right-of-entry (ROE)** upon the real estate described as follows (the "Property") located in

_____ County/Municipality, and described as:[Address] _____.

1. Time Period: The ROE shall expire on [date] _____, unless sooner cancelled.

2. Inspection/Repairs Authorized: The ROE is authorized to allow inspection and/or temporary repairs to the Property, including but not limited to temporary roofing. Owner consents that the Government, its employees, agents, contractors and/or representatives shall, in their sole discretion, determine the extent of the roof damaged and temporary roof coverage required at the time of installation.

3. Disclosure of Roofing Policies: By signing this ROE, Owner acknowledges that the following policies shall apply concerning the installation of temporary roofing on Owner's property:

a. Temporary roofing installation provides temporary repair for severely damaged roofs. The roofing material may not provide a watertight seal and does not guarantee a habitable structure. Leaking is possible during additional rain events. Leaking of the temporary roof after installation is considered maintenance and is the sole responsibility of the homeowner.

b. The life of the temporary roof is dependent on weather conditions and may be as little as 30 days. Temporary roofing may be installed with multiple wood furring strips with multiple nails to the existing roof in order to secure it, which will harm shingles and roofing beneath. Removal of the temporary roof is the responsibility of the homeowner, and will result in leaking after the nails are removed.

c. The temporary roofing material becomes the property of the homeowner after installation.

4. Cancellation: Owner may cancel this ROE only by obtaining the signature of an authorized Government or contractor representative using the procedure shown on the reverse of this form. Phone-in and verbal cancellations will not be accepted.

5. Waiver of Liability: The Owner acknowledges that the Government's decisions on when, where, and how to provide disaster relief to Owner's property are discretionary functions. Owner recognizes that 42 USC § 5148 states: "The Federal Government shall not be liable for any claim based upon the exercise or performance of or the failure to exercise or perform a discretionary function or duty on the part of a Federal agency or an employee of the Federal Government in carrying out the provisions of this chapter." ***Owner further releases and agrees to hold and save harmless the Government, its employees, agents, contractors and/or representatives from any and all liability, damage, or loss whatsoever that may be occasioned by or through negligent acts or omissions of the Government, its employees, agents, contractors and/or representatives in inspecting and/or performing temporary repairs to the Property.***

6. Miscellaneous: The right-of-entry includes the right of ingress and egress on other lands of the Owner not described above, provided such ingress and egress is necessary and not otherwise conveniently available to the Government. All tools, equipment, and other property taken upon or placed upon the property by the Government shall remain the property of the Government and may be removed by the Government at any time within a reasonable period after the expiration of this ROE.

7. Privacy Act Statement: Owner acknowledges receipt of the Privacy Act statement shown on the reverse of this form and consents to release of the information contained herein in accordance with the purposes therein stated.

By signing this document, I certify that I am the owner of this property and/or that I am authorized to sign this right of entry (ROE) on behalf of the owner:
